

SERVICE BULLETIN NO. 142**Visual Cooking – Oven size 1.20 – Adjustment of flaps on centre piece in oven chamber**

To optimise Visual Cooking oven model 1.20, we have introduced 2 flaps, part No. 20100164, to make it possible to control the flow of air.

Standard settings from the factory:

Gap, upper flap	: 9 mm
Gap, lower flap	: 2 mm
Gap, both sides	: 32 mm

Yours sincerely,
