

SERVICE BULLETIN NO. 123**Pumps for detergent and rinse aid**

Since our supplier of pumps for detergent and rinse aid has changed the pump housing and with it the fixing bracket, we have had to introduce a new suspension bracket to make the pump exchangeable with the current one.

We have therefore issued two new part numbers that include the new suspension bracket:

Visual Cooking

20520250 replaces 20500050

CONMATIC Line

041129 replaces 060238.

Yours sincerely,
