

**SERVICE BULLETIN NO. 166****New spare-part number for computer**

We have experienced that the ordering of computers for Visual Cooking ovens with a turn-switch operating panel often creates some confusion. We have therefore decided to allocate a separate spare-part No to the computer for Visual Cooking II ovens.

Effective 1 November 2008, the correct part numbers will be as follows:

Computer B/C/K Visual Cooking I	<b>20900004</b>
Computer B/C/K Visual Cooking II	<b>30900014</b>

Best regards
