

SERVICE BULLETIN NO. 182**New spare part numbers for computers**

For quite some time, we have had trouble ordering one of the components of our Conmatic Line computers. As this particular component is now no longer available at all, we have had to replace it with a new one. As a result of this, all Conmatic Line computers have been assigned new part numbers.

033938 Computer type I is replaced by 033950 Computer type I (ver. 2.69).
033939 Computer type I w/CC is replaced by 033951 Computer type I CC (ver. 2.91).
033940 Computer type II w/CC is replaced by 033952 Computer type II CC (ver. 2.91).
033941 Computer type II is replaced by 033953 Computer type II (ver. 2.69).

The old computers will gradually be replaced by the new ones as stocks are used up.
